 Starting from 2007, MQA's accreditation is perpetual unless stated otherwise. All accredited qualifications are subject to period maintenance audit to ensure continuous improvement. If the accreditation of a qualification is revoked, the cessation date will be displayed in the Malaysian Qualifications Register, Qualifications previously accredited under National Accreditation Board of (Lembasz Akreditasi Negara, LAN) have a validity period of 5 years and this information is stated in the MQR for reference purposes.

The verification of accreditation status of a programme will not be performed by MOA. This printed statement is sufficient for any
