

Global Connectivity, Unlocked locally.

The rapid setup guide for eduroam
at Politeknik Banting Selangor.

The World's Largest Academic Network

eduroam provides secure, password-free roaming across the globe. Activate your device once at PBS, and seamlessly connect anywhere the network is broadcast.

10,000+

Hotspots Worldwide

100+

Territories

Locations

Universities, research centres, libraries, museums, and public spaces.

Zero-Knowledge Architecture

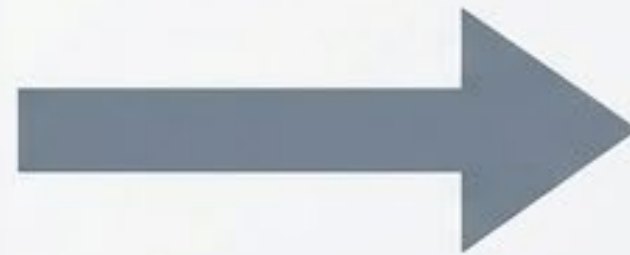

The geteduroam app generates a secure, device-specific encrypted token. Your actual Microsoft 365 password is never shared with local access points.

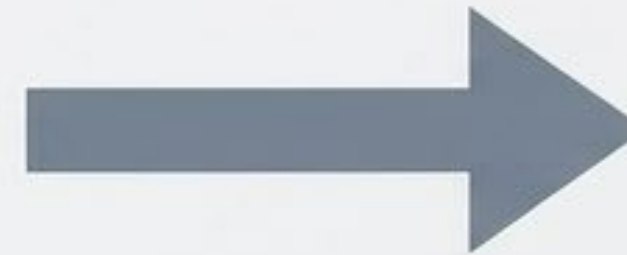

Secure Token Valid for 180 Days. Cycle simply repeats upon expiration.
